Sponsorship Packages

The startup and maker scenes are changing the electronics landscape. More and more innovations are coming from new players in the electronics sector. Through the Fast Forward Award, Contestants have a chance to present their innovations to more than 250,000 Elektor community members, as well as 45,000 estimated attendees who will visit productronica 2019 in Munich (12–15 November 2019).

The ongoing activities with electronica Fast Forward - the start-up platform powered by Elektor in 2018 is a great example for the good working concept. electronica Fast Forward powered by Elektor drew 32 teams from 10 countries in 2018. The second edition of this innovation and start-up initiative attracted a great deal of talent and technology. To enhance the Fast Forward concept, productronica and Elektor are joining forces.

As a productronica Fast Forward sponsor, you will receive a comprehensive media campaign comprising on-site productronica promotions, magazine advertising, online banners and more. A variety of sponsorship packages are available to meet your needs.
